

Liverpool Elks Lodge #2348 recently visited three lodges in our state. 32 members and guests boarded a bus and traveled to Potsdam Lodge #2074, Massena Lodge #1702 and Ogdensburg Lodge #772. It was a wonderful opportunity to meet fellow Elks and exchange ideas and information. It is always interesting to see the different approaches taken by others. Each lodge welcomed their visitors and showed true hospitality. A big thank you to these lodges for all they did to make us feel welcome.
